Dear Ms. Chuang:

Let me start by expressing my sincerest appreciation for your recent gift of \$2,700.00. It will be earmarked for ARC's tsunami relief efforts, and put to use immediately in one of our current programs. Thank you for your compassion, and for choosing to make a difference in the aftermath of this disaster.

To date, donors like you have helped ARC make a real impact in tsunami-affected regions. For instance, in Thailand, we've delivered badly-needed medical supplies to hospitals and provided trauma counseling and psychiatric care to survivors. We've begun the repair and reconstruction of a number of village water systems. And we're in the planning stages of a program that will purchase new boats for poor families who depend upon fishing for their livelihoods.

In the coming weeks, you can be sure that our staff will continue doing whatever they can to assist the survivors of this tragedy. Although the scope of the damage is staggering, ARC is committed to doing whatever it can to help people rebuild their lives.

Your support is a crucial part of our efforts. Your concern will give traumatized survivors a reason to hope. On behalf of the many people we've helped, I thank you for your gift.

Sincerely,

  
Hugh Parmer  
President
